

**Dear Members of the Abbotsford Bingo Association**

**Call to action**

DID YOU KNOW your association is one of 68 members who receive funding from the ABA.

With this benefit comes responsibility.

This AGM we will be having two directors who will not letting their name stand for positions on the board and a third director who is stepping down.

This is a call to action of members. We need volunteers who can sit on the Board. The ABA board meets quarterly. We have a simple agenda.

If you know a member of **your membership** who could spare approximately 8 hours per year, PLEASE contact me. I am happy to speak to them, and hopefully have a full slate of nominees for the upcoming AGM.

Thank you,

Glen Robertson
